

2019 FEMINIST-PRAGMATIST COLLOQUIUM:

Looking Back to Move Forward

UNESCO World Philosophy Day

November 14-17, 2019 | St. John Fisher College, Rochester, NY

Feminist pragmatist philosophers aim to illuminate the lived realities of human beings in relation to others. They use women's experiences as a lens through which to test their theories and their proposed solutions to today's challenges. Feminist pragmatists give particular attention to vulnerable people and to those who live on the margins of societies.
